

Philsaga Mining Corp.

The photo signifies the advocacy of PMC in support to a responsible mining. In line with this, advocacy is taking environmental action to protect nature and planet earth. The shaft shows the developing mine. This suggest that PMC is presently economically developing. Conversely, the thick vegetation surrounding the shaft that as we continue to support our needs for the living , we did not overlook our stewardship to our environment. We are committed to support our production as well as our social and environmental responsibilities.
