Foreword

The numerous developments in the various parts in the region are positive affirmations of the booming regional economy which primarily driven by the mining industry. However, challenges still hounding its continuous progress; negative publicities and severe oppositions, etc, are few factors that keep this industry struggling for full public acceptance. Thus, social commitment and continuing environmental protection are the keys in addressing those glitches in achieving sustainable development.

The firm commitment of mining companies to ethical mining, ecological stewardship and genuine sustainability is reflected on the corporate reforms, community development projects and environmental programs that they have consistently undertaken. The substantial contribution of the minerals industry to national progress is manifested in the flourishing communities and transformed lives which are veritable testimonies to its commitment to the holistic development of human life and equal opportunities for all.

The accomplishment of our annual targets would not have come to fruition without the unconditional service, perseverance and dedication of the men and women of DENR-Mines and Geosciences Bureau ROXIII who are truly worthy of our wholehearted appreciation for keeping the Regional Bureau afloat amidst the struggles and difficulties that were encountered by the minerals industry.

The impact of low metal price in the world market is indeed a great hindrance and impediment to the development of the Mining Industry which resulted to the low Royalty Tax collection compared to the previous year; yet, it is our fervent hope and desires that despite of these, we wanted to deliver a hundred percent accomplishment in our physical performance vis-à-vis the financial performance of this Office at the end of this year.

True to our commitment to render the rightful and best government service, with the assistance from the Development Academy of the Philippine (DAP), we have conducted an ISO orientation for ISO 9001/GQMS. This is a kind of management system to direct and control an organization with regard to quality and to help our office to effectively fulfill customer requirements and enhance customer satisfaction.

As we move forward to what brightly lies ahead, the Regional Bureau shall persevere and rise above the seemingly interminable challenges that continue to come its way. As we enjoin companies to carry on with their best mining practices, we shall promote the minerals industry and uphold the dignity of its stakeholders. Despite the arduous journey, our receptivity to challenges and adaptability to change will certainly see us through. Motivated by our significant role in economic growth and social development, the Regional Bureau and the optimistic individuals and stakeholders who constitute the minerals industry will continue to work together for national progress, solid linkages, responsible mining, and empowerment of multicultural communities with the all-out support of the National Government and the DENR-MGB Central Office.

ENGR. DANIEL S. BELDEROL
OIC, Chief, Mine Management Division

Executive summary

The journey will never end for the Caraga Mining Industry. As long as there are minerals to explore and investments will continue to flow, the minerals industry will here to stay and live. As we aimed for the region's sustainable development, mining industry in the region will continue to reign as one of the top economic driver.

The implementation of the MGB's approved Rationalization Program was the most significant event happened in the year 2015. Various positions were opened and granted to new applicants while others who deserved for promotions were promoted. With the new great opportunities given by the management, it is hoped that, the new members of MGB RXIII family and the newly promoted employees will deliver the rightful government service according to its duties and responsibilities.

On October 2015, OIC, Mine Management Division, Engr. Daniel S. Belderol, with the assistance from the Development Academy of the Philippine (DAP), spearheaded the conduct of the ISO orientation for ISO 9001/GQMS. ISO 9001/GQMS is a management system to direct and control an organization with regard to quality. It is crafted by the International Organization for Standardization to help organization effectively fulfill customer requirements and enhance customer satisfaction.

The said ISO orientation was just the start of everything. Training courses have been lined-up for the following year for this Office to be equipped and be ISO certified.

A major setback in the collection of royalty taxes for CY 2015 due to low metal price in the world market has been observed. Indeed, it has a major impact in the local minerals industry because it resulted to less number of ore shipments and most especially low royalty tax collection. Based on records, CY2015 number of ore shipments reaches only to 690 while last year has a total number of 740 ore being shipped. This year royalty tax collection is only PhP 1,188,748,307.12. That is 45% lower from the previous year collection which was PhP 2,652,267,928.09. The total income for MGB RXIII including the other taxes collected is PhP 1,194,817,606.82. The figure is still 45% lower than the previous year that amounted to PhP 2,658,116,216.30.

Projects, activities, and programs under the Communication Plans for Minerals Development were duly accomplished. As indicated, more than a hundred percent of our annual targets were already accomplished during the 1st semester of the year except for those functions where targets and accomplishments are regularly delivered in a monthly basis.

Two of the highly notable accomplishments under Communication Plans for Minerals Development were the conduct of Small Scale Miners Training with MAVISSMA sometime in January and the Training on Location Determination through Gris System & GeoTagging for MAVISSMA last March 2015. These are two of the major programs of this Office were successfully held through the hard works and initiatives of men and women of MGB R-XIII with the strong support of Engr. Daniel S. Belderol, OIC, Mine Management Division.

Linkages with the other National Government Agencies, CSOs, NGOs, and other stakeholders have been observed. MGB RXIII is actively participating and coordinating with these organization in promoting the Office Mission and Vision towards sustainable development through responsible mining in the region.

The Geosciences Division also delivered a 100% accomplishment of its annual targets. Various major programs, activities and projects from the said division were delivered according to its commitment and mandate. One major activity was the conduct of Coastal Geohazard Assessment in which our targets are municipalities within Siargao Islands. The conduct of Coastal Geohazard Assessment is to assess the impact of climate change in the coastal areas. As the year ended, we already have accomplished the following municipalities in the island of Siargao, namely; 1. Dapa 2. General Luna 3. Burgos 4. Pilar 5. San Isidro 6. Sta. Monica 7. San Benito.

The cities of Butuan and Tandag were the first cities in Caraga Region where Vulnerability and Risk Assessment were conducted. The said activity is a detailed assessment of areas where risks are high in terms of geohazard. We piloted the updating of 1:10,000 Scale geohazard maps as a result of changes due to natural calamities in Butuan City. Groundwater Resource Assessment was also conducted in the municipality of Jabonga, Agusan del Norte and Bayugan City in Agusan del Sur.

Under the Mining Lands Administration, Work Program monitoring activities were conducted to fifty (50) approved mining permits. That is 100% accomplishment of our annual target. 200% accomplishments were also observed for the Integrated Safety, Health, Environment and Social (ISHES) Program, as we have conducted Twenty Eight (28) ISHES monitoring for the whole year in which we only have 14 ISHES monitoring activities annual target. Multipartite Monitoring Teams (MMT) of mining projects with permits issued also accomplished 217% of our target. Sixty Five (65) MMTs were conducted while we only have thirty (30) MMT target for this year.

In line to this Office measures to improve Small-Scale Mining per EO 79, we have conducted a Regional Orientation of Stakeholders on DAO 2015-03 RIRR of RA7076. Inventory to Small Scale Mining in five (5) provinces namely; Surigao del Norte, Surigao del Sur, Agusan del Norte, Agusan del Sur, and Province of Dinagat Islands were also conducted. This is part of the assistance given by this Office to the P/CMRBs, to the LGUs and other Stakeholders.

CY 2015 was also highlighted with the identification of two (2) areas suited to be Minahang Bayan Areas and one (1) was re-endorsed to MGB Central Office for approval.

Use it or Lose it Policy program was designed to closely monitor all mining applications in terms of its compliances according to RA 7942 also known as the Philippine Mining Act of 1995. In addition to that activity, a review of the performance of existing mining operations per EO no. 79 shall be conducted regularly focusing on the performances of approved mining rights in terms of its compliance as stipulated to their submitted Environmental Work Programs and Exploration Work Programs. Based in records, 100% of our target for "Use it or Lose it" Policy has been complied as well as to the review of the performance of existing mining operations per EO no. 79.

Various mining related complaints/cases/conflicts were acted. Several investigations were conducted in response to complaints/cases/conflicts filed in the office. One of which was the conduct of mine pit survey to delineate and determine the actual locations of the active mining areas of Wellex-Area II located in Brgy. Malinao, Tubajon, Brgy. Carmen, Loreto, PDI conducted last January 2015. One of the major investigations conducted by MGB RXIII technical personnel was the alleged small scale mining activities in Brgy. Tambis in the Province of Surigao del Sur.

Three (3) Cease and Desist Orders were issued in CY 2015 in the following; Illegal Miners and Mineral Processors in Brgy. Del Pilar, Cabadbaran City, Agusan del Norte, Small Scale Mining activities at Brgy. Tambis, Surigao del Sur and to the illegal mining operators within the Parang-Parang Watershed area in Surigao City. The issuance of those CDO shows that MGB RXIII is indeed seriously implementing its Anti-Illegal Mining Campaign in the region.

For Gender and Development concern, the MGB RXIII Gender and Development Focal Point System in upholding women empowerment and gender responsiveness is steadfast in recognizing vital roles women and men play in the various aspects of development. A review of the office policies, memoranda, special orders, EOs, has been done to ensure equal rights and opportunities in terms of employment hiring, promotion and career

advancement as well as representation / participation to decision-making bodies like MMTs, MRFCs, validation teams, TWGs, to mention a few.

The showing of this Office strong performance of our major plans, programs and activities for the whole year is due to devotion to work, unconditional service, determination and commitment rendered by MGB R-XIII personnel. The men and women of MGB R-XIII have successfully delivered its tasks as mandated. Guided by our two (2) Major Final Outputs as bases for the implementation of our major and priority projects and programs, every job accomplishments is a fulfillment of our targets. Despite of those various internal and external issues that this Office has encountered, we have successfully achieved our commitment and delivered the needed outputs.

ComPlan

Communication Plan for Minerals Development

Communication Plan is formulated to intensify Information, Education and Communication campaign in CARAGA Region. Aside from being one of the major functions of MGB 13, this program is designed in such a way that it will make the presence of the mining felt in the community.

There are four (4) major components under Communication Plan, namely;

1. Conduct Awareness and Advocacy on Mineral Resources and Geosciences (MRGS);
2. Capacity Building on MRGS Laws, Rules and Regulations;
3. Generate/Publish/Disseminate Information & Information, Education and Communication (IEC) Materials; and
4. National & International Linkages

Conduct Awareness and Advocacy on Mineral Resources and Geosciences (MRGS)

Stakeholders Forum

In Conducting Awareness and Advocacy on Mineral Resources and Geosciences (MRGS), several dialogues have been conducted. Various forums with the different LGUs and other groups/stakeholders were also spearheaded by this Office. These efforts are to provide information about mining projects and activities as well as addressing various issues relative to the presence of mining operation or exploration in their community.

For CY 2015 we have the following accomplishments, to wit;

- **Dialogues with the Sangguniang Panlalawigan/Bayan/Panlungsod/Barangay**

1. Sangguniang Panlalawigan of Surigao del Norte;
2. Sangguniang Bayan of Loreto, Dinagat Province;
3. PPDO LGU of Surigao del Norte;
4. Convergence LGU Surigao del Norte;
5. Surigao City GAD Meeting;
6. Technical Conference with SB Loreto, DInagat;
7. Technical Conference with SB Tubajon, DInagat;

8. Sangguniang Panlalawigan of Surigao City Committee Hearing;
9. Surigao del Norte PDC Meeting;
10. Surigao del Norte PDC Meeting;
11. Consultative meeting with the Prov. SDN treasurer; and
12. HEALS Plus Convergence Meeting.
13. SDN Provincial Develoment Council Meeting
14. SB Meeting with SB Tubay, Agusan del Norte
15. 4th Quarter meeting of the SDN GAD
16. Final review of the Prov. Gov. of SDN Strategic and Operational Scorecards and Plans for 2014-2016
17. Joint Task Force 1000 has. And 20,000 has. Reclassification from Min. Land to Agrcultural Land in PDI
18. 6th PDC meeting in Dinagat PDI.

Technical Conference with LGU of Loreto, Dinagat Islands

- **Dialogues with other groups (Religious groups, CSO Academe, etc)**

1. Launching of SMMCI Magazine;
2. Meeting with the Philippine Army in Butuan City;
3. Lecture re: Mining Law in the Philippines for the Philippine Army Officers and Staff of 402 Brigade Headquarters, Butuan City;
4. Dialogue with the AFP;
5. 1st Regional Cave Committee Meeting;
6. PNP Seminar against Envi. Terrorism;
7. Conduct presentation of Small Scale Mining Laws and Titration CN Strenght and Timbering Support at CSU;
8. Budget Consultation with the CSO;
9. Meeting with the DAR-PARCOMM;
10. Lake Mainit Development Alliance ETWG Meeting;

11. Agusan River Basin TWG Meeting; and
12. 1st Butuan Women Congress
13. Attendance to PH-EITI Forum on Natural Resources Governance: Making Transparency Matter
14. Attendance during the Mindanao Mining Summit
15. Caraga Conference for Peace and Development (CCPD) in Butuan City
16. Attendance to Phil. Coop. Centennial Year Culmination
17. GSIS Public Sector Unions' Consultation
18. GAD Monitoring at THPAL
19. GAD Monitoring at CPC
20. Meeting of the Agusan River Basin
21. Quarterly Reconciliation Report on Sales of Metallic Minerals
22. Re-Orientation of CMC on MGB Forms 29-5.

Mining Law in the Philippines for the Philippine Army Officers and Staff of 402 Brigade Headquarters, Butuan City

- **Radio Program**

MGB13 is operating two (2) weekly radio programs. One (1) hour time slot is aired every Friday, 11:00 A.M. to 12:00 P.M. at station dxSN – Catholic Media Network (CMN) and thirty (30) minutes every Saturday at station dxKS – Radio Philippines Network (RPN). The Chamber of Mines of Caraga, Inc. has contributed an ample amount in subsidizing the financial requirement of airing these broadcasts.

"Katilingban ug Kinaiyahan" aired in DXSN last May 22, 2015 was anchored by Ana Diosell Soliven-Bajao Economist-II of MGB-13 with guest Ms. Batchieva A. Madelo, ComRel of MMDC.

- **Press Releases/Photo Releases/Feature Stories**

For CY 2015 most of our Press Releases were published at MGB R-XIII official website. The news articles published at MGB R-XIII website are the following;

1. Radio Programs conducted with SMMCI;
2. Radio Programs conducted with PNPI;
3. Small Scale Miners Training with MAVISSMA;
4. Preliminary investigation on the Landslide at Prosperidad;
5. LGU SDN Discussion;
6. Technical Consultation w/ LGUS Loreto & Tubajon;
7. SDN-PDC Meeting;
8. PNP Seminar against Envi. Terrorism;
9. Consultative meeting with the Prov. SDN treasurer;
10. MGB conducted radio program with CMC;
11. Central Office Calls R-XIII Mining Firms for 2015 SHES Audit;
12. 15th National Cave Congress in Surigao City;
13. Regional Orientation of DAO 2015-03;
14. MGB Attended Strategic Planning on GAD;
15. Radio Program with OSMC;
16. Attendance to Surigao Founding Anniversary;
17. MGB Attended RDC-EDC Meeting; and
18. Radio Program w/ MMDC.

Capacity Building Program on MRGS Laws, Rules and Regulations

In response to the Capacity Building on MRGS laws, rules and regulations, several workshops/trainings has been conducted, participated or coordinated by MGB Personnel. Trainings and workshops were also conducted for and by some Local Government Units and other stakeholders.

- **For MGB Personnel Attended**

1. DA-DAR-DENR National Convergence Initiative for Sustainable Rural Development Master in Public Management Scholarship Program;
2. Leave Administration Course for Effectiveness to be conducted by the Civil Service Commission;
3. Training-Workshop on Harmonized GAD Development Guidelines (HGDG) as a Tool to determine attributable cost of DENR PAPS for GAD mainstreaming;
4. National Ecotourism Strategy (NES) Workshop;
5. Transboundary Workshop on Lake Mainit; and
6. Envi Training in Baguio City.
7. ISO Orientation
8. Planning and Sub-Watershed Prioritization Workshop on FLUP of LGU-Rosario
9. Planning and Sub-Watershed Prioritization Workshop on FLUP of LGU-Barobo
10. MMT Summit Davao City
11. GAD Planning & Budgeting, Monitoring and Evaluation Workshop
12. Attendance to Stat. and Taxes Information System Assessment & Training on Database Analysis
13. Weighing Scale's Calibration Training Workshop in Cebu City
14. Attendance during the PSAI Training and Conference in Laoag City, Ilocos Norte
15. Attendance to 67th Society of Filipino Foresters, Inc. Anniversary Convention and Seminar Workshop at Laoag City.

The MGB 13 Regional Office No. XIII Chemist IV and Gender and Development Focal Person, Ms. Cecilia L. Consuegra together with the Planning Officer, Mr. Carl Orven C. Eludo, attended the Strategic Planning for the 2016-2017 Mines and Geoscieces Bureau Gender and Development Workplan, Budget, and Orientation on the Gender Mainstreaming and Monitoring System **dated May 4-7, 2015 at ICON Hotel, Quezon City**.

- **For LGUs and other Stakeholders**

1. Planning Workshop conducted by SDN;
2. Conduct lecture/seminar re: Mining & Environmental Laws to PNP Butuan;
3. Capability Training on Envi and other related Laws for PAMB of SWRR; and
4. Planning and Sub-Watershed Prioritization Workshop on Forest Land Use Planning (FLUP) of LGU-Tubod, SDN
5. PDC- Economic Development Council Meeting

MGBR13 Takes Part on PNP Seminar against Environmental Terrorism

- **For Small Scale Miners**

1. Small Scale Miners Training with MAVISSMA; and
2. Conduct training on Location Determination through Grid System & GeoTagging for MAVISSMA (Small Scale Miners).

A training and capacity building was conducted to MAVISSMA (Small-Scale Miners) in March 18-20, 2015 at Sitio Masabong, Bayugan 3, Rosario, Agusan del Sur.

Generate/Publish/Disseminate Information & Information, Education and Communication (IEC) Materials

- **Website Established/Maintained**

www.mgbr13.ph is the Official website of MGB R-XIII

Header of the MGB R-XIII Official Website

- **IEC Materials Produced**

1. Info-mag: Small Scale Miners Training " Location Determination using Grid System and GoeTagging";
2. Small Scale Miners Training and Capacity Building Caraga Journal Volume 3; and
3. MGB 13 Citizen Charter Booklet
4. Tax Collection Required in Mining

- **IEC Materials Re-Produced**

The above-mentioned IEC materials were distributed and received by one hundred twelve (112) MGB clients as of November 2015.

- **Statistics Reports**

Statistics reports were regularly reported/submitted to MGB Central Office as required.

- **Maps/Map-Info Data Base**

Maps and Map-Info database were submitted to MGB Central Office in monthly bases.

- **MRGS Reports**

MRGS reports are regularly monitored and submitted to MGB CO.

1. Monthly Tenements Statistics Reports
2. Monthly MTSR/Use It or Lose it Reports
3. MRFC Quarterly Reports

4. Semi-Annual SHES Database Reports
5. Quarterly Inventory Report on Alien Employment
6. Resource/Reserve Inventory
7. Quarterly/Summary of IEC Activities

National Linkages

Active participation of this Office to various meetings and invitations called by other national line agencies were properly observed. Sharing information and linkages with them is one of our vital roles that we never fail to partake for having a close coordination with those agencies is important in nation building.

The following are those activities that MGB R-XIII attended and coordinated:

1. NEDA RDC Meeting;
2. RLEC Meeting PNP-Butuan City;
3. NEDA Regional Land Use Forum;
4. NEDA-RDC Regional Budget Forum;
5. 1st Quarter DENR Regional Management Conference;
6. NEDA-RDC Budget Consultation with the CSO;
7. NEDA-RDC 1st Quarter Meeting
8. 82nd RDC Full Council Meeting;
9. NEDA-RDC-RLUC-TWG;
10. DTI-SDN MSMEDC Meeting;
11. RDC-EDC and Quarter Meeting;
12. Regional Science and Technology Forum; and
13. RDC-Meeting
14. 2015 Peace Caravan in R-XIII

The Mines and Geosciences Bureau Regional Office No. XIII representatives Ms. Marietta Tumulak, CAO II and Mr. Carl Orven C. Eludo, Planning Officer, attended the 2nd Quarter Meeting of the Regional Development Council – Economic Development Committee on May 21, 2015 at Butuan City.

Geosciences Dev't. Ser.

Geosciences Development Services

The Geosciences Development Services shall conduct geological, geoenvironmental and mineral exploration surveys; complement with other division in the evaluation of mining rights applications; and provide geological and geo-scientific information and geo-technical services to other Government agencies, mining contractors/permittees and the general public.

The GDS is mandated to do the following functions, to wit;

1. Geohazard Assessment and Mapping;
2. Geologic Mapping;
3. Groundwater Resources Assessment; and
4. Miscellaneous Geological Assessment.

Geohazard Assessment and Mapping

The Geohazard Mapping and Assessment Program is an on-going priority program of the DENR, which is being implemented by the Mines and Geosciences Bureau (MGB). Its main objective is to identify areas in the country which are susceptible or vulnerable to various geologic hazards, or geohazards. The program also seeks to provide information to various stakeholders in order to lessen or mitigate the impact of these events.

Identification and Mapping of Critical Land Areas

This program of activity comprises the following sub-activities, to wit;

1. Vulnerability and Risk Assessment (VRA);
2. Updating of 1:10,000 Scale geohazard maps as a result of changes due to natural calamities;
3. Detailed Sub-surface Assessment;
4. Geohazard IEC Materials Dissemination;
5. Capacity Building;
6. Conduct IEC to LGUs;

7. Geohazard Operation Center;
8. Coastal Geohazard and Impact to Climate Change; and
9. Field Mapping and Survey (1:10,000).

- **Vulnerability and Risk Assessment**
- **Updating of 1:10,000 Scale Geohazard Maps**

For the first semester of CY 2015, MGB R-XIII has already conducted Vulnerability and Risk Assessment to the Cities of Butuan in Agusan del Norte and Tandag, Surigao del Sur in June 2015 and August 2015, respectively. Updating of 1:10,000 Scale geohazard maps as a result of changes due to natural calamities was also conducted in Butuan City.

MGB R-XIII Technical Personnel conducted a VRA in Butuan City

- **Capacity Building**

MGB R-XIII GSD technical personnel also attended the following trainings/seminars/workshops, to wit;

1. Geoscience Workshop in Cavite Province;
2. Training on Niton XLT3T 950 XRF Analyzer Operation in Hongkong; and
3. JMG Training in Geochemical Analysis Base Metal by Inductive Couple Plasma Optical Emission Technique Spectrometer (ICP-EOS) and Gold Fire Assay/Cupellation Technique

4. To participate in the Training programme on the Capacity Devt. For immediate access and effective utilization of satellite information for Disaster management in Jakarta, Indonesia
5. Standardization ofAssessment for Groundwate Resources. Geohazard VRA, Subsidence Geohazard, and Coastal Geohazard- Sept. 20-28
6. 7th merck Millipore Compliance and Safety Summit-Spt. 9,- Dava City
7. handheld Spectrometer & Epsilon 1 EDXRF
8. 2. Weighing Scale's calibration Training Workshop-Cebu City
9. ARC GIS TRAINING, CALAMBA, LAGUNA

- **Conduct of IEC to LGUs**

On May 4-8, 2015, five provinces of this region, consisting 34 municipalities and cities covering a total of 643 barangays, benefited the information, Education, Communication campaign that we have conducted.

- **Geohazards Operations Center**

Caraga Region is one of the areas in the country where it is prone in all types of weather disturbances. Geohazards Operations Center equipped with various types of emergency equipment's is a kind of facility needed to be established in the region. Fortunate enough, MGB RXIII was able to establish the said Geohazards Operations Center and is now operational.

- **Coastal Geohazard and Impact to Climate Change**

According to http://www.sciencedirect.com Coastal change is a major issue in many regions of the world, and is often driven by geohazard processes such as landslides and rockfalls. Effective assessment of such phenomena is essential for successful management of coastal ecosystems.

Coastal Geohazard and Assessment is an additional program for MGB R-XIII. It is not a regular activity for this year; however supplemental budget has been approved for this project.

As of November 2015, we already have conducted assessment to seven (7) municipalities in Siargao Island in the Province of Surigao del Norte, namely;

1. Dapa
2. General Luna
3. Burgos
4. Pilar
5. San Isdro
6. Sta. Monica
7. San Benito

Mineral Lands

Mineral Lands Adminstration

The Mineral Lands Administration has two major components namely;

1. Mineral Investment Promotion Program (MIPP); and
2. Mineral Industry Development Program (MIDP).

MIPP activities are the issuance of mining contracts/permits including areas within mineral reservations and other related permits which also have the following programs, to wit;

1. Issuance of Mining Permits;
2. Use It or Lose It Policy and Review of the Performance of Existing Mining Operations per EO no. 79;
3. Approval of SHES Program; and
4. Measures to Improve Small-Scale Mining per EO 79.

MIDP focused on the monitoring and enforcement activities which also have the following components, to wit;

Mining Industry:

1. Monitor/audit of approved mining contracts/permits including areas within mineral reservations as to compliance to the implementation of approved Work Program and Safety, Health, Environment and Socials Programs; and
2. Full Enforcement of Envt'l Standards in Mining Operations pursuant to EO no. 79:
    A) Safety, Health, Environment and Socials Programs
    B) Strengthen Multi-Partite Monitoring System

Enforcement:

1. Resolution of Complaints/Cases /Conflicts; and
2. Anti-Illegal Mining.

Mineral Investment Promotion Program (MIPP)

Issuance of Mining Permits

For CY 2015, we have issued various types of permits like Ore Transport Permit, Mineral Ore Export Permit and others that is required under the Philippine Mining Act.

Use It or Lose It Policy

Use it or Lose it Policy program was designed to closely monitor all mining applications in terms of its compliances according to RA 7942 also known as the Philippine Mining Act of 1995. In addition to that activity, a review of the performance of existing mining operations per EO no. 79 shall be conducted regularly focusing on the performances of approved mining rights in terms of its compliance as stipulated to their submitted Environmental Work Programs and Exploration Work Programs.

1. 2 mining companies did not operate this year:
    - Hinatuan Mining Corp-SDNP in Nonoc Island, Surigao City
    - Silangan Mindanao Mining Corp. in Tubod, Surigao del Norte
2. 2 mining companies under care and maintenance program:
    - Manila Mining Corp. in Placer, Surigao del Norte
    - HY Sinosteel in the Province of Dinagat Islands

Measures to Improve Small-Scale Mining per EO 79

Under this program is the assistance to P/CMRB/LGU/other stakeholders. This is composed of various sub-activities, namely;

1. Provinces Inventoried for Small Scale Mining Sites;
2. Minahang Bayan Sites Identified;
3. Minahang Bayan Sites endorsed to DENR through MGBCO;
4. P/CMRBs operationalized;
5. Meetings Conducted/Participated; and

Mining Industry Development Program (MIDP)

Monitor/audit of approved mining contracts/permits including areas within mineral reservations as to compliance to the implementation of approved Work Program and Safety, Health, Environment and Socials Programs

Monitoring activities are conducted regularly to all approved mining rights in the region vis-à-vis to their submitted Environmental Work Programs.

MGB XIII monitored one of the approved mining rights in the region.

For CY 2015 we committed to monitor 50 approved mining rights and as of the end of December of this year, we have already accomplished 100% of our annual target.

- **Safety, Health, Environment and Socials Programs**

One of the monitoring activities conducted by this Office is the Safety, Health, Environment and Social (SHES) program. It is an integrated function that was formulated in response to Executive Order No. 79 in the full enforcement of environmental standards in mining operations.

For CY 2015, our regular annual target is 14 ISHES monitoring activities but as the year ended, we have already accomplished 28 ISHES monitoring and that is 200% of our annual target.

Full Enforcement of Envt'l Standards in Mining Operations pursuant to EO no. 79

- **Strengthen Multi-Partite Monitoring System**

Another mandatory activity that should be strengthen to fully implement the Executive Order No. 79 mandate in the full enforcement of environmental standards in mining operations is the formulation of Multi-Partite Monitoring Team (MMT) whose major task is to rigidly monitor all the mining operation/activities. As required under the Philippine Mining Act other sectors will be joining the MMT.

For CY 2015, we have conducted 65 Multi-Partite Monitoring activities.

Social Development Management Program

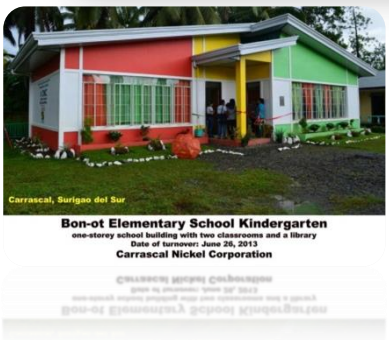
Aiming for development sustainability of the neighboring and mining host communities is one MGB's thrust and an ultimate mandate for each mining company. Delivering the current needs of the community without sacrificing the needs of the future generation is the concept behind sustainable development which can be achieved through the proper implementation of Social Development

Management Program as implied under the Department of Environment and Natural Resources Administrative Order No. 2010-21.

For mining companies actively at the exploration stage, Community Development (CDP) Program shall be formulated instead of SDMP which is for operating mining companies only. Designed as the same concept with SDMP, CDP shall also be developed in consultation and in partnership with the host communities within the area subject of active exploration activities. Provided that the programs proposed adapt to the standard, the program assumed to be approved.

For more than a decade, Social Development and Management Program (SDMP) have been instrumental in the development of the hosts and neighboring communities of mining companies operating in Caraga Region. It was DAO 2010-13 that required operating mines to increase its allocation from 1% DMMC to 1.5% Operating Costs to include the exploration companies to implement Community Development Program (CDP) which fund is taken from the 10% of the company's Exploration Work Program (EWP). Annual SDMP/ CDP Plans were submitted to this Office and subsequently approved.

To ensure availability of funds and to facilitate timely implementation of the ASDMP, the companies were advised to deposit at least 75% of the SDMP Fund to any depository banks under an account name SDMP Fund (1.5% Operating Costs) of the *mining company*. Likewise, the Community Affairs Officers (CAO) together with representative from the Municipal Planning and Development Office (MLGU) of the concerned municipality conducted quarterly validation to determine the extent of the ASDMP per Gantt chart. (*below are pictures of some SDMP Projects*)



Enforcement

Resolution of Complaints/Cases /Conflicts

A number of investigations were conducted by MGB XIII. This is in response to various complaints/cases/conflicts filed in the Office.

1. Conducted mine pit survey to delineate and determine the actual locations of the active mining areas of Wellex-Area 2 located in Brgy. Malinao, Tubajon, Brgy. Carmen, Loreto, PDI;
2. Preliminary Investigation on Landslide Incident at Sitio Hanginan Brgy. La Purisima, Prosperidad, ADS;
3. Alleged adverse effect to the quality of water of Placer Water District;
4. Conduct investigation of the alleged illegal mining activity located at brgy. Tambis, Barobo, SDS;
5. Field Investigation of an alleged illegal ssm in Brgy. Tambis, SDS;
6. Follow-up verification/validation pertaining to the recently conducted raid by the composite team of LGU Butuan re: continuous illegal extraction/excavation conducted by a certain Manny Hong Su despite of the CDO issued by the City of Butuan on Oct. 29, 2014;
7. Fatal shooting accident at GRC;
8. MMDC Fatal Investigation;
9. AMVI Fatal Investigation; and
10. MMDC Fatal Investigation.

Also in CY 2015, MGB RXIII issued three (3) Cease and Desist Orders to the following;

1. CDO issued to Illegal Miners and Mineral Processors in Brgy. Del Pilar, Cabadbaran City, Agusan del Norte
2. CDO issued to Small Scale Mining activities at Brgy. Tambis, Surigao del Sur
3. CDO issued to Illegal Small Scale Mining and Mineral Processing at Brgy. Mat-i, Surigao City

FAD

The MGB's approved Rationalization Program was finally implemented and this was the most significant thing happened in the year 2015. Various positions were opened and granted to new applicants while others who deserved for promotions were promoted. With the new great opportunities given by the management, it is hoped that, the new members of MGB RXIII family and the newly promoted employees will deliver the rightful government service according to its duties and responsibilities.

Section 1, Article XI of 1987 Constitution, states that, "Public Office is a public trust. Public officers and employees must at all-time be accountable to the people, serve them with utmost responsibility, integrity, loyalty, and efficiency, act with patriotism and justice and lead a modest lives". The guiding post of MGB 13 employees' day to day activities emanates in the said statutes. MGB personnel adheres to abide the Constitutional mandates especially in dealing with the clients every day to have transparency in every transactions, excellence in the delivery of public service and going beyond what is required of a public servant. MGB RXIII, despite its lean manpower managed to deliver its targets for CY 2015.

Several policies were being implemented according to MGB and Civil Service Rules and Regulations which includes the following, to wit;

a. Public Assistance Desk
b. Strictly No Firearms Allowed
c. No Noon Break
d. No Smoking Policy and among others

We also have implemented the 3:00 O'clock in the afternoon cut off time for all payments as per instruction of the agency's auditor that all collection of the day shall be deposited first hour in the morning of the following day.

The Anti-Red Tape Act or ARTA under R.A. No. 9485 is an Act to Improve Efficiency in the Delivery of Government Service to the Public by Reducing Bureaucratic Red Tape, Preventing Graft and Corruption, and Providing Penalties Therefore, has already been implemented in this Office.

MGB 13 Citizen's Charter

The service standards to be known as the Citizen's Charter under ARTA is an official document, a service standard, or a pledge that communicates in a simple terms, information on the services provided by the government to its citizens. It is a step-by step procedure for availing a particular service. To better served the public a Public Assistance Desk is duly instituted and in support to the Anti-Red Tape Act. This is to expedite customer transaction in the government.

This Office also fully supports the campaign on Anti-Fixers, in consonance with the Anti-Red Tape Act, depicted its campaign as "Fixers – No Room In This Place" to reach to the proper authorities any anomaly or any complaints by the clients. Likewise, an Anti-Fixer Campaign calling card size were also provided, with telephone numbers of the Office of the Ombudsman and the Civil Service Commission for direct and easy reporting of fixers.

Human Resource Management Service

MGB 13 has a total of 45 filled-up positions per Personnel Services Itemization and Plantilla of Personnel (PSIPOP). Several items are still waiting to be filled-up.

With the present manpower, aside of hiring contractuals to support the office operation, multi-tasking is the only key for this Office to be able to accomplish our annual targets. On top of every employee's regular workload, additional assignments were given without additional compensation just for the fulfillment of our goals.

Solid Waste Management Service

Being one of the line agencies of DENR, this bureau continuously practices the proper way of disposing its waste materials by separating the recyclable from non-recyclable. In upholding to be an environment friendly government agency, maintaining cleanliness all over the compound will always be one of the top priorities. Appropriate trash containers locations labeled with "Hazardous", "Recyclable", "Biodegrable" and "Non-Biodegrable" and proper garbage segregation were seriously observed.

Implementation of Government Procurement

To attest to the truth and accuracy of all the Office transactions and in compliance to the conditions of Good Governance as set by the Inter-Agency Task Force under AO No. 25, this Bureau issued a certification, manifesting our serious practice and commitment in government service in the implementation of government procurement through PhilGEPS Posting.

PHILGEPS or Philippine Government Electronic Procurement System has been fully implemented in this Office. This is in accordance with R.A. No. 9184, otherwise known as "The Government Procurement Reform Act". PHILGEPS was established to promote transparency in the procurement process of Supplies, Materials and Equipment.

Mineral Resources

After the previous year's remarkable Royalty Tax collection, a major setback for CY 2015 has been observed, due to low metal price in the world market. Its impact resulted to lesser number of ore shipments which also lead to low royalty tax collection for the whole year. Based on records, this year's number of ore shipments reaches only to 690 while last year has a total number of 740 ore being shipped. This year royalty tax collection is only PhP 1,188,748,307.12. That is 45% lower from the previous year collection which was PhP 2,652,267,928.09. The total income for MGB RXIII including the other taxes collected is PhP 1,194,817,606.82. The figure is still 45% lower than the previous year that amounted to PhP 2,658,116,216.30.

The table and graph below will show the comparative Royalty Tax collection from the year 2012 to 2015.

The big tax collection last CY 2014 was due to the price of nickel ores in the world market tripled in the months of May to August making the royalty tax collections doubled, thus, it reaches to PhP 2,652,267,928.09.

The impact of low metal price in the world market is indeed a great hindrance for future mining related investments and developments. It might be an impediment to the development of the Mining Industry or to the local economy as well most especially that the minerals industry in the region is one of the top economic drivers. Yet, it is our fervent hope and desires that despite of these, for the coming years, everything will be back to what it is in the previous year.

This year's total income collection is also 45% lower compared to the previous year. CY 2015 total income collection is only PhP 1,194,817,606.82 while PhP 2,658,116,216.30 is the total collection last CY 2014.

Below is a table showing the total income collection of MGB RXIII for CY 2015.

Laboratory Report

Caraga Region is host to several mining companies producing an extensive number of mineral commodities like gold, copper, chromite, nickel, iron, manganese and other mineral ores.

The significant economic contributions of the minerals industry in Caraga conveyed a positive multiplier influence on the numerous developments in various parts in the region and to the country in general.

MGB-13 Analytical Laboratory is under the Geosciences Division supervised by Mr. Romeo M. Dalodado, Chief Geologist. The established MGB-13 Laboratory has provided laboratory services for the analysis of mineral ores and water samples submitted by mining stakeholders and private walk-in clients even from nearby regions.
Furthermore, assistance to MGB-13 fieldmen on their investigation / verification activities were being extended like particle size tests conducted on sediments collected by MGB-13 geologists for the 1:10,000 Coastal Geohazard Mapping in the Municipalities of Dapa and General Luna, Surigao del Norte, respectively.

MGB-13 has provided laboratory examinations for Total Suspended Solids (TSS) and pH on water samples taken during MMT Inspection. This is to monitor the water quality in the different mining areas in the region.

Nickel shipment samples taken during umpiring were also being submitted to the laboratory for evaluation of their nickel and iron content.

Moreover, gold analysis were undertaken on ore samples collected by MGB-13 fieldmen in connection with the Semi-Detailed Geologic Survey in areas identified and assessed as possible mineral reservations. These samples were taken from the Municipalities of Mainit, Sison and Malimono, Surigao del Norte, respectively.

The Mines and Geosciences Bureau R-13 Analytical Laboratory is equipped with an Atomic Absorption Spectrophotometer (Shimadzu AA -7000 series), a diesel-fired Fire Assay Furnace for gold analysis, Sartorius microbalance and other balances, ovens, Oakton pH/con 510 series Benchtop meter, and Niton XL3T 950 XRF (handheld type), among others.

MGB-13 provision for laboratory services had set an annual target of 30,000 determinations, number of samples to be analyzed equals 1,000 samples, and be able to accommodate 70 official and 120 private clientele, respectively.

With the unwavering commitment and dedication to service of the MGB-13 laboratory staff, it has more than achieved its targets for Year 2015. MGB-13 laboratory has accomplished 43,650 determinations with an annual accomplishment of 145.5 %.

Analysis Percentage :	Chromite	% Cr2O3 and % Fe	0.25%
	Gold	g/MT	1.67%
	Grain size		4.44%
	Nickel	% Ni and % Fe	43.85%
	Water	TSS / pH	49.79%
	Total		100.00%

MGB-13 Laboratory was able to analyze 1,195 samples during the year. It has served 77 official clients (110% annual accomplishment) and 255 private clients (212.5 % annual accomplishment).

Revenues collected on paid samples from January to December 2015 amounted to **Php 169,295.00**. Samples evaluated reached up to **Php 233,065.00** (This is the value calculated from shipment nickel pulp samples taken during umpiring and submitted in the laboratory for % Ni and % Fe determinations).

Two (2) laboratory personnel had the opportunity to attend trainings abroad.

MS. CHRISTIE Q. ASUMEN - APALE participated in the **"User's Operations Training Of Thermo Scientific NITON XL3t GOLDD+XRF Analyzer"** at Thermo Fischer Scientific (HK) Limited, Shatin, New Territories, Hong Kong last March 3-4, 2015.

MS. CECILIA S. LERIO - CONSUEGRA attended the **"CCOP-JMG Advanced Course in Geochemical Activities: Base Metals by ICP-OES and Gold by Fire Assay / Cupellation Techniques"** from March 8-15, 2015 at Kuantan, Pahang Malaysia.

Likewise, laboratory personnel were able to attend / participate on local trainings.

MS. CECILIA S. LERIO – CONSUEGRA completed the 3-day seminar on **"Basic and Advanced Training Course on Environmental Laws for Pollution Control Officer and Managing Heads"** on July 27-29, 2015 at Almont Inland Resort, Butuan City.

Last September 9, 2015 **MS. ARCHIELYN C. NIMEZ** and **MS. IMEE G. OSIN** attended the **"7th MERCK Millipore Summit : Continuing Advocacy Towards Compliance and Safety"** at Apo View Hotel, Davao City.

MS. ARCHIELYN C. NIMEZ and **MR. SAMUEL A. JARDENIL** participated in the **"Weighing Scale's Calibration Training Workshop"** at Crown Regency Hotel, Cebu City.

Since MGB-13 laboratory is already involved in water quality monitoring activities of the different mining companies in the region, indeed there is a need to enhance our capabilities in the laboratory. Hence MGB-13 laboratory personnel visited DENR, EMB-13 last October 2014 and discussed with the laboratory personnel regarding water quality examination parameters, its equipment and apparatus, as well as other laboratory supplies required in upgrading a water laboratory.

This is to reiterate a few of our observations and recommendations from our visit in EMB-13 which we hope for a favorable management approval :

At present, there is a need to provide a room for water quality analysis where apparatus and reagents will be in place in order to avoid contamination of dust particles in the water samples.

A new set of magnetic filtration set-up for TSS analysis is now used in EMB-13 laboratory. Six (6) water samples can be analyzed at the same time compared to the set-up used in MGB-13 laboratory that can only filter water samples one at a time. A purchase of this apparatus and its accessories will make analysis faster, and thus shorter time is needed for such analysis.

Sometime in February 2015, the MGB-13 laboratory has submitted to MGB-13 Planning Officer MR. CARL ORVEN C. ELUDO**,** a project proposal entitled **"Acquisition of New and Advanced Sample Preparation Equipment and Dust Collection System"** amounting to **Php 2,195,000.00.**

There is a need for upgrading of the outmoded Sample Preparation Equipment into new, efficient and advanced equipment to ensure topmost accuracy of ore sample preparation. In the same way, the installation of a dust collection system is a prime necessity. A dust collection system will steadily drive dust away from the user; therefore safety at work and surrounding areas is assured. As such, dust emission into the environment will be minimized.

GAD

GENDER AND DEVELOPMENT

Annual Accomplishment Report
January -December 2015

MGB, R-XIII has been at the forefront in regulating the mineral industry in Caraga. Although advancement of the mineral industry is still hounded by misinformation, disinformation and anti-mining sentiments, CY 2015 ushered new challenges and opportunities for MGB, R-XIII implementation of regulatory activities for mineral resources development in the region.

Awareness and advocacy campaigns on responsible mining have been stepped-up to ensure the delivery of DENR's priority programs and projects.

The attainment of its PPAs set for CY 2015 is attributed to the unwavering full support, commitment coupled with dedication and hard work of the output driven women and men of MGB, R-XIII in the delivery of quality public service. Indeed, CY 2015 has been a fruitful year for MGB-13 in the realization of its programs and projects.

The contributions of the mining sector through collaborative efforts of mining stakeholders in the host and neighboring mining communities have significantly influenced the progress of Caraga Region and better quality of life of its people.

The benefits of mining in terms of revenue collection upsurge, more jobs, infrastructure and other economic enterprises build-up paved the way to countryside development.

The strict compliance of Memorandum of Agreements, mining permits, etc. as embodied in Republic Act 7942 otherwise known as the "Philippine Mining Act of 1995" and its IRR has been monitored, enforced and reported to magnify environmental circumstance and social performance.

This Office has provided Results of the 1:10,000 scale Geo-hazard Assessment and Mapping to LGUs and other government entities to improve adaptive capacities of local government units and communities on disaster risk reduction management. Advocacy information campaigns on "Earthquakes, Active Faults, Landslides, Storm Surge, Floods and other geologic hazards as well as lectures on disaster preparedness have been carried out to several schools, LGUs and other agencies.

MGB, R-XIII has 54 approved positions in the NOSCA. As of todate, 8 of its employees were promoted and another 8 are newly hired during the first tranche of its promotion and selection deliberation. It has a manpower strength of 45 permanent employees and 25 contractuals. A male-dominated office with only 40% of its personnel are female.
Flexi time is being practiced in the regional office. Attendance of employees to seminars, conferences, fora and meetings has been based on one's qualifications, work responsibilities and the capability building needs of one's job.

For MGB-13 Gender and Development for its programs, projects and activities has a budget of Php 208,000.00. The institutionalization of the MGB-13 Gender and Development Focal Point System is

strengthened pursuant to Republic Act No. 9710 otherwise known as the "Magna Carta of Women". MGB-13 GADFPS has been reconstituted per MGB-13 Special Order No. 025, Series of 2015 dated July 1, 2015.

The Gender and Development Point System of MGB, R-XIII in pursuing for gender equality and women empowerment recognizes the vital role women play in various aspects of development. Networking / linkages with local government units, national line agencies, mining companies, civil society, academe, church, and media have been a key to sustain its GAD initiatives.

MGB, R-XIII GAD Focal Point is a member of the Regional Development Council-Gender and Development Coordinating Committee (RDC-GADCC), Caraga. Likewise, MGB, R-XIII GAD Focal Point is a member of LGU-Surigao City GAD Team and LGU-Surigao del Norte GAD Coordinating Council.

As GAD Chair, she has made representation as member in the Selection and Promotion Board (SPB), Committee on Decorum and Investigation (CODI), Personnel Evaluation Review Committee (PERC), Grievance Committee, in areas on environmental protection and social development, mention a few.

A review of office policies, memoranda, special orders, EOs, has been done to ensure equal opportunities in terms of hiring, promotion, and career advancement as well as representation / participation to decision-making bodies like MMTs, MRFCs, validation teams, and TWGs.

The GADFPS conducted **Information Campaigns on Magna Carta of Women** to raise the level of public awareness and to promote for the advancement of women's human rights based on the provisions of the United Nations-Convention on the Elimination of All Forms of Discrimination Against Women (UN-CEDAW). And most importantly, to help draw attention to other mounting issues on the plight of our Filipino women in the areas of health, economic, environmental, social and political development.

A GAD Bulletin Board has been installed and maintained to post announcements, memoranda, SOs and other GAD-related articles.

Waste bins are provided in conspicuous places in MGB-13 and segregation of waste is enjoined. "No Smoking" policy is strictly implemented per MGB-13 Memorandum dated January 30, 2015.

MGB-13 GADFPS vigorously conducted in-house activities and actively joined various inter-agency activities particularly during the observance of the Women's Month, Earth Day, Ocean Month, Environment, National Disaster Consciousness Month, 18 Day Campaign to End Violence Against Women, and many more.

MGB, R-13 GAD Focal Point System has geared up several activities to highlight a celebration like hanging of tarpaulin, distribution GAD-related information materials, and conduct of lectures on its legal mandates, history and significance.

Fun ColorWalk: A Vibrant Kick-off to the 2015 Women's Month Celebration

Aptly themed "*Juana, Desisyon mo ay Mahalaga sa Kinabukasan ng Bawat Isa, Ikaw Na!*," this year's Women's Month Celebration kicked off with a Fun ColorWalk at 3 P.M. on March 3, 2015 in Butuan City. Amidst sunny skies and intense heat, the participants walked all the way from Guingona Park to the Agusan del Norte Provincial Capitol Covered Court in a spirit of unity and camaraderie to express their staunch support to women empowerment and other related advocacies. With pride, the participants from the Mines and Geosciences Bureau Regional Office No. XIII and other government and private agencies carried their respective banners and well-intentioned placards in support of women advocacies. The Regional Development Council-Gender and Development Coordinating Committee (RDC-GADCC) is spearheading the series of activities for the said celebration in Caraga Region.

During the Fun ColorWalk, there were three stops wherein the participants danced to the beat of the festive music and threw holi powder of every hue at each other. The parade indeed affirmed that the Women's Month Celebration is a festival of colors, hope and renewal in appreciation of women's significant roles in society.

The Women's Month Opening Program followed at the Agusan del Norte Provincial Covered Court where an ecumenical prayer was offered. Inspiring talks were given by Atty. Marilyn M. Pintor, RDC-GADCC Chairperson, and Ms. Edna S. Hontiveros, Co-Chairperson. Despite her nonappearance in the event as the guest speaker, Ms. Rissa Hontiveros-Baraquiel nevertheless sent her powerful message about women empowerment which was read by the PhilHealth Regional Director.

To add vitality to the program, groups of employees from several government agencies presented lively intermission numbers. The exceptional Philippine National Police - Caraga Region band performed as well. During the program, the men participants gave flowers and chocolates to their women colleagues to express their appreciation and pride in their contributions.

This year's Women's Month Celebration underscores the importance of active participation and equitable representation of women in the policymaking or decision-making process at all levels of societal organizations. (excerpts from the article written by Ms. Penn Fang)

National Disaster Consciousness Month Celebration

Observance of the National Disaster Consciousness Month in July 2015 has the theme, "**Pamilya at Pamayanang Handa Katuwang sa Pag-unlad ng Bansa!"**

Considering the increasing occurrence of natural disasters, collaborative efforts among the national and local governments must ensure relevant interventions to intensify the preparedness of local communities towards mitigating the adverse impacts of disasters and climate change.

The Mines and Geosciences Bureau Regional Office No. 13 GAD Focal Point System spearhead various activities to mark this month's celebration. One of its identified activities was a TREE TENDING / CARING on July 10, 2015 which started at 6:00 A.M. MGB-13 employees together with the representatives from several mining companies.

A Forum on Earthquakes and other Geologic Hazards (lectures given by MGB-13 geologists namely : Mr. Melvin Mantilla, MS. Elaines Galido and MS. Liza Pacete) was conducted on July 9, 2015 at 2:00 P.M. to raise level of awareness / responsiveness of employees' on disaster preparedness in times of emergencies like earthquakes and other geologic hazards. Ms.Daphnie R. Agonia from Philvocs, Surigao was the guest observer/evaluator during the EARTHQUAKE DRILL conducted after the lectures.

MGB Region XIII joins the 2015 Peace Caravan in Caraga Region

The Mines and Geosciences Bureau Regional Office No. XIII, together with the Regional Offices of different National Government Agencies, took part in the 2015 Peace Caravan duly organized by the Office of the Presidential Adviser on the Peace Process (OPAPP) in coordination with the Association of Caraga Executives (ACE) under the theme: "Nagkakaisang Bayan para sa Kapayapaan: The Government is Committed in Pursuing Development that can be enjoyed by all."

The Peace Caravan is mainly held as a venue wherein the Philippine Government through the convergence of different National Agencies provide their basic services and extends interventions especially to isolated, hard-to-reach and conflict-affected communities ensuring that these areas are not left behind by development.

For its part, MGB ROXIII took the opportunity to distribute IEC materials on geologic hazards and disseminate the 1:10,000-scale landslide and flood susceptibility maps to the Municipalities of Marihatag and Lianga which the LGUs could use in their disaster risk reduction planning and management. (excerpts from the article written by Ms. Penn Fang)

MGB ROXIII participates in the Agusan River Basin Summit

The Agusan River Basin Summit was held on September 3 to 4, 2015 at Almont Inland Resort in Butuan City. The Department of Environment and Natural Resources (DENR) Caraga Regional Office and the Mindanao Development Authority (MinDA) led the summit. All stakeholders from Compostela Valley, Davao Oriental, Bukidnon, Surigao del Sur, Agusan del Norte, Agusan del Sur and Butuan City actively participated in the two-day summit.

The Mines and Geosciences Bureau Regional Office No. XIII representative, Ms. Marietta P. Tumulak, is one of the members of the Technical Working Group (TWG). The Agusan River Basin Organization (ARBO) was formally organized on the second day of the summit. Bishop Juan de Dios D. Pueblos, DD is the ARBO Chairperson. The ARBO is the body responsible for the implementation of conservation and development strategies for the river basin.

The summit culminated in the signing of the Memorandum of Agreement which affirms the organization's commitment to the sustainable management of the Agusan River Basin. (excerpts from the article written by Ms. Penn Fang)

Integrated Safety and Health, Environmental and Social Development Audit integrating GAD

GAD Team joined the Monitoring Team for ISHES Inspection

The Magna Carta of Women (MCW) mandates all government offices, including government-owned and controlled corporations, local government units to adopt gender mainstreaming as a strategy for implementing the law and attaining its objectives of promoting women empowerment and gender equality.

The purpose of the GAD undertaking was to provide a mechanism to integrate gender considerations into the ISHES Audit. The ISHES Monitoring aims to review and to evaluate the mining company's Safety, Health, Environment and Social Development performance while increasing awareness of the employees on SHES management that can be favorable in their collaboration with other stakeholders.

This is a conscious effort of the MGB, Regional Office No. 13 Gender and Development Focal Point System (GADPS) towards creating an enabling environment to identify past achievements, present and continuing barriers as well as appropriate interventions, and support aspirations for women's full participation.

The importance of partnership with mining companies provides avenues for dialogue and exchange of learning and best endeavors to advance gender equality for substantial benefits to all, especially the poor and vulnerable groups.

VULNERABILITY RISK ASSESSMENT (with GAD Perspective) in Tandag City

- **Data Gathering at the City Planning and Development Office of Tandag City**
- **Interview with the Punong Barangay**
- **Data Gathering at the Disaster Risk Management Office / City Health Office**

Spearheaded by the GAD Focal Point System, a team of personnel from the MGB ROXIII conducted a demographic profiling and data gathering for Vulnerability Risk Assessment on August 10 to 14, 2015 in Tandag City. This is in line with the National Vulnerability and Risk Assessment Program of the DENR-Mines and Geosciences Bureau in support of the broader National Disaster Risk Reduction Program of the Government. The main objective of the said activity is to gather data on population per barangay for MGB ROXIII Demographic Profiling on assessed risk areas in gender perspective.

Tandag is a fifth class city and the provincial capital of Surigao del Sur. According to the 2010 census, it has a population of 52,114 people. Tandag is politically subdivided into 21 barangays — Awasian (Tandag Airport), Bag-ong Lungsod (Poblacion), Bioto, Bongtud (Poblacion), Buenavista (includes Mahayag), Dagocdoc (Poblacion), Mabua (Poblacion), Mabuhay, Maitum, Maticdum, Pandanon, Pangi, Quezon, Rosario, Salvacion, San Agustin Norte, San Agustin Sur a.k.a. Dawis, San Antonio, San Isidro, San Jose and Telaje (Poblacion). Majority of the barangays are considered rural areas.

On August 11, 2015, the team visited the City Planning and Development Office to gather relevant information such as population and household size, age-sex distribution, and population by civil status of each barangay. The team also visited the City Disaster Risk Reduction Management Office (CDRRMO) to gather data related to risk and vulnerable residents in terms of age and gender.(excerpts from the article written by Ms. Archie Nimez)

MGBEA Caraga Chapter's *Handog Pasasalamat:*
An offering of praise and thanksgiving

In deep appreciation of recently obtained distinctions, the Mines and Geosciences Bureau Employees Association (MGBEA) Caraga Chapter held its thanksgiving dubbed *Handog Pasasalamat* on September 7, 2015 at the MGB Training Center in Surigao City.

The heart of the gathering was the Thanksgiving Mass officiated by Monsignor Terry Iral. In his homily, Monsignor Iral exhorted the MGB ROXIII Management and Staff to actualize their roles as civil servants and stewards of the country's mineral resources. Headed by the MGBEA Officers, the MGB ROXIII personnel offered praise and thanksgiving to the Lord for all the guidance, protection and blessings that they have received.

Apart from having been awarded as one of the most outstanding MGB Regional Offices, MGBEA Caraga Chapter has been awarded the most outstanding MGBEA Chapter in the country for CY 2014.

A short program was conducted after the Thanksgiving Mass. Ms. Cecilia L. Consuegra, MGBEA Caraga Chapter President, delivered a message of appreciation. "Let us all take pride in our accomplishments. May we continue to improve on the quality of work and service we render to our bureau, colleagues and clients without any condition, need for recognition and personal gain. As we put our hearts and minds into the pursuit of our goals and put God at the center of our lives, let us constantly aspire to enhance our outlook on life, strengthen our ties and evolve into better persons," stated Ms. Consuegra.

In their inspirational messages, Engr. Daniel S. Belderol, Officer-In-Charge of the Mine Management Division, and Mr. Romeo M. Dalodado, Chief of the Geosciences Division, commended the personnel for their concerted efforts and commitment to work. In the same way, Engr. Belderol and Mr. Dalodado encouraged everyone to persevere and continue to work well.

After the program, the MGB ROXIII personnel were treated to a simple feast to complete the celebration. (excerpts from the article written by Ms. Penn Fang)

MGB ROXIII takes part in the Workshop for the Updating of the Caraga Regional Risk Profile

Ms. Elaine L. Galido, MGB ROXIII Senior Geologist, discusses the status of the 1:10,000 scale Geohazard Mapping and Assessment.

The Mines and Geosciences Bureau Regional Office No. XIII, represented by Ms. Elaine L. Galido, Senior Geologist, and Ms. Liza T. Pacete, Geologist II, took part in the three-day workshop

for the updating of the Caraga Regional Risk Profile on September 8 to10, 2015 at the Executive Function Hall of Goat-2-geder Hotel and Restaurant in Butuan City. The said workshop was conducted by the Caraga Regional Disaster Risk Reduction Management Council (RDRRMC).

The Caraga Regional Risk Profile workshop aims to update the Regional Risk Profile which was crafted in 2012 incorporating the MGB's 1:10,000 scale geohazard maps, NEDA's vulnerability assessment and other relevant information. (excerpts from the article written by Ms. Penn Fang)

TREE PLANTING

The Mines and Geosciences Bureau Regional Office No. XIII, in cooperation with Silangan Mindanao Mining Company, Inc. and Taganito Mining Corporation, conducted a tree-planting activity on September 30, 2015 at the Provincial Tree Park in Brgy. Ipil, Surigao City in keeping with the government's National Greening Program.

MGB ROXIII supports 2015 Division Science Quest, Fair, Quiz, Yes-O and Training Camp

Personnel of the Mines and Geosciences Bureau Regional Office No. XIII supported the 2015 Division Science Quest, Fair, Quiz, Yes-O and Training Camp on September 30 to October 4, 2015 at the Surigao del Norte National High School in Surigao City.

With the theme "***Quality Science Education: A Key to Developing Resilient Schools and Communities***," the event started with a program at the Provincial Convention Center where Mr. Romeo M. Dalodado, MGB ROXIII Geosciences Division Chief, delivered a message which pulsated with wisdom, inspiration and vitality.

In his message, Mr. Dalodado stated that one of the major mandates of the Mines and Geosciences Bureau is the assessment of geologic hazards, specifically landslides and floods, which will result in the production of geohazard susceptibility maps for the efficient disaster risk reduction management of communities. In the same way, he stated that the Bureau is also responsible for the translation of the technical information in a form that will be more easily understood by the general public.

Mr. Dalodado emphasized that the Bureau highly recognizes the vital role of educators in disseminating information from the practitioners to the youth in more innovative ways and guiding the future generations to adopt a responsible stance on matters concerning the safety and welfare of the people and the environment. (excerpts from the article written by Ms. Penn Fang)

MGB 13 Employees Multi-Purpose Cooperative celebrates 2015 Cooperative Month

Cooperative Month is annually celebrated in the month of October. Year 2015 marks the centennial celebration of the cooperative movement in the Philippines with the theme, "**KOOPERATIBA: Ika-100 Taong Pagpupugay, Tulay sa Maunlad Na Buhay**."
